The fight for dominance between 'azadi' and 'jihadi' was in full swing in the 1990s. 'Azadi' group Jammu & Kashmir Liberation Front (JKLF) faced an intense challenge from 'jihadi' Hizbul Mujahideen (HM). Both were puppets on Pakistan's string.

JKLF created an international sensation in 1996 when it occupied the revered Hazratbal shrine in Srinagar. It led to the launch of a daring offensive by the Special Operations Group of J&K Police.

The book is a graphic first-hand thriller on the build-up of terrorism in Kashmir, the blood-splattered rivalry between JKLF and HM, and the short, sharp surgical strike -OPERATION **KHATMA**- that broke the back of terrorism in the Valley.
