### INDIAN INSTITUTE OF TECHNOLOGY ROPAR WRITTEN EXAMINATION

#### JUNIOR SUPERINTENDENT

Date of the Examination: 17	/11/2023
Maximum Marks: 70	
Name of Candidate:	investigation of the second second
Roll No.:	a the desired with an and

#### **INSTRUCTIONS TO CANDIADTES**

- This question paper has 70 questions. Each question carries one mark. There are four choices for answer (A, B, C, D) to each question. Choose the correct answer (one only) for each question and mark it on the Optical Response Sheet (ORS).
- 2. Read the instructions given in the ORS sheet carefully.
- 3. Use a Black/Blue ball point pen only to fill the ORS Sheet.
- 4. The candidate should check that the booklet does not have any unprinted or torn or missing pages or questions etc. If so, get it replaced with another question paper.
- 5. While marking your answer on the ORS Sheet fully darken the circle.
- 6. One (1) mark will be awarded for each correct answer and each incorrect answer and unanswered questions will not attract marks. There is no negative marking.
- 7. Return the ORS Sheet and the question paper to the invigilator after the examination is over.
- 8. Mobile, Electronic Watch and other Electronic Gadgets are prohibited in the examination.
- 9. Use of Unfair Means in Examination will lead to cancellation of candidature.

Signature of the candidate:
