In this question, a passage is given followed by a statement. Read the passage carefully and judge the statement based on the given passage.

New Zealand skipper Williamson, declared fit after missing last Sunday's third one-day international due to a groin injury, top-scored with 63 before falling softly to medium pacer Hasan Ali, who finished with 2-38. Hasan removed Williamson with a slower delivery as the New Zealand skipper went for a hook and gloved the ball for wicketkeeper Sarfraz Ahmed's fourth catch of the innings.

Williamson's 112-ball knock had five boundaries and he added 72 for the fourth wicket with Henry Nicholls who made 28 with four boundaries. In the same over Hasan trapped De Grandhomme for a first-ball duck before Sohail dismissed Ish Sodhi (four) and BJ Watling (four) -- both were trapped leg-before.

Mohammad Abbas, who has figures of 2-13, had removed Nicholls, caught behind by Sarfraz soon

after lunch.

**In this question, a passage is given followed by a statement. Read the passage carefully and judge the statement based on the given passage.**

New Zealand skipper Williamson, declared fit after missing last Sunday's third one-day international due to a groin injury, top-scored with 63 before falling softly to medium pacer Hasan Ali, who finished with 2-38.

Hasan removed Williamson with a slower delivery as the New Zealand skipper went for a hook and gloved the ball for wicketkeeper Sarfraz Ahmed's fourth catch of the innings.

Williamson's 112-ball knock had five boundaries and he added 72 for the fourth wicket with Henry

Nicholls who made 28 with four boundaries. In the same over Hasan trapped De Grandhomme for a first-ball duck before Sohail dismissed Ish Sodhi (four) and BJ Watling (four) – both were trapped leg-before.

Mohammad Abbas, who has figures of 2-13, had removed Nicholls, caught behind by Sarfraz soon after lunch.

**Statement:** The player De Grandhomme didn't score any run in this match.
