Read the following passage and answer the questions that follow.

The rise of the Internet has sparked a debate about how online communication affects social relationships. The Internet frees us from geographic fetters and brings us together in topic-based communities that are not tied down to any specific place. Ours is a networked, globalised society connected by new technologies. The Internet is the tool we use to interact with one another, and accordingly poses new challenges to privacy and security.

Information technologies have wrought fundamental change throughout society, driving it forward from the industrial age to the networked era. The Internet has changed business, education, government, healthcare, and even the ways in which we interact with our loved ones – it has become one of the key drivers of social evolution.

The changes in social communication are of particular significance. Although analogue tools still have their place in some sectors, new technologies are continuing to gain ground every day, transforming our communication practices and possibilities – particularly among younger people. The Internet has removed all communication barriers. Online, the conventional constraints of space and time disappear and there is a dizzyingly wide range of communicative possibilities. The impact of social media applications has triggered discussion of the "new communication democracy."

The development of the Internet today is being shaped predominantly by instant, mobile communications. Mobile Internet is a fresh revolution. Comprehensive Internet connectivity via smartphones and tablets is leading to an increasingly mobile reality: we are not tied to any single specific device, and everything is in the cloud.

People no longer spend hours gazing at a computer screen after work or class; instead, they use their mobile devices to stay online everywhere, all the time. Question Number: 151 Question Id: 5861802574 Question Type: MCQ Option Shuffling: Yes

Read the following passage and answer the questions that follow.

The House Sparrow and its subspecies are worldwide in their distribution, except in the polar regions. Sparrows have had a symbiotic relationship with humans for the past 10,000 years. But strangely, over the past 50-60 years, sparrows have been sadly deserting human company in urban areas, preferring suburban areas and the countryside, and only making brief visits to nearby human habitats.

Sparrows, though tiny, are very sensitive and strongly immune birds, and their sudden disappearance as sentinels or as ecological indicators is a warning to humans about impending environmental hazards. The rapid changes in the lifestyles of humans in urban areas are increasingly incompatible with the conservative lifestyles of sparrows. Non-availability of tiny insects as food due to the loss of vegetation around our modern buildings, the excessive use of mosquito repellents indoors and insecticides outdoors, our concrete architectures with no nesting sites for sparrows, and air-conditioning which leaves no entry or exit points for feeding sparrow nestlings are some of the reasons for the dislocation of sparrows. Further, increasing noise from automobiles and their gaseous pollutants in our cities may be deterrents. Above all, the recent increase in electromagnetic radiations from cell phone towers outdoors and the explosive use of diverse wireless devices indoors have also chased away the birds. It could be the synergistic effect of all these environmental pollutants that has compelled sparrows to fly away from their long-trusted human companions.

नीचे दिये गए गद्यांश को पढ़कर पूछे गये प्रश्नों के उत्तर दीजिए।
सूर भिक्त-काल में ओजपूर्ण और मार्मिक वाणी को लेकर प्रकट हुए। उन्होंने एक ऐसे
संसार की परिकल्पना की जो आज भी प्रासंगिक है। सूर्य की गोपियां उस कृष्ण से प्रेम
करती हैं जो ब्रज अर्थात गांव में निवास करता है न कि मथुरा अर्थात् नगर में। सूर को
नगर और गाँव की संस्कृति का ठीक से ज्ञान है। सूर जानते हैं कि नगर में ठग, व्यापारी,
चोर, नीच कर्म करने वाले होते हैं तथा गाँव की जनता भोली, एक दूसरे के दुःख से
दुखी और एक दूसरे के सुख से सुखी होने वाली होती है। तभी तो वे लिखते है 'आयो
घोष बड़े व्यापारी' या 'वा मथुरा काजर की कोठरी'। सूर शहरी संस्कृति से भली-भांति
परिचित हैं और मथुरा को काजर की कोठरी तक कहने से नहीं हिचकते। ऐसे शहरी को
सूर ठीक से पहचानते हैं। ब्रज जैसे गाँव की आवश्यकता आज भी बनी हुई है जहाँ प्रेम
और मानव मूल्य सर्वोपिर है, जहाँ दूसरी स्त्री से जन्मे बालक को उसकी जन्मना माता
से भी अधिक प्रेम और वात्सल्य मिलता हो। सूर की गोपियों की क्रांतिकारिता आज भी
कम नहीं हुई है। मुरली की धुन कानों में पड़ते ही गोपियाँ काम-काज तो छोड़िये सभी
सामाजिक बंधनों तथा सामंतवाद, पितृसत्ता का त्याग करके भागती हैं। यह भागना ही
उन सभी कुरीतियों का प्रतिकार है। सूर अपनी गोपियों को स्वच्छंद रखने में सफल रहे हैं

नीचे दिये गए गद्यांश को पढ़कर पूछे गये प्रश्नों के उत्तर दीजिए। सूर भक्ति-काल में ओजपूर्ण और मार्मिक वाणी को लेकर प्रकट हुए। उन्होंने एक ऐसे संसार की परिकल्पना की जो आज भी प्रासंगिक है। सूर्य की गोपियां उस कृष्ण से प्रेम करती हैं जो ब्रज अर्थात गांव में निवास करता है न कि मथुरा अर्थात् नगर में। सूर को नगर और गाँव की संस्कृति का ठीक से ज्ञान है। सूर जानते हैं कि नगर में ठग, व्यापारी, चोर, नीच कर्म करने वाले होते हैं तथा गाँव की जनता भोली, एक दूसरे के दु:ख से दुखी और एक दूसरे के सुख से सुखी होने वाली होती है। तभी तो वे लिखते है 'आयो घोष बड़े व्यापारी' या 'वा मथ्रा काजर की कोठरी'। सूर शहरी संस्कृति से भली-भांति परिचित हैं और मथुरा को काजर की कोठरी तक कहने से नहीं हिचकते। ऐसे शहरी को सूर ठीक से पहचानते हैं। ब्रज जैसे गाँव की आवश्यकता आज भी बनी हुई है जहाँ प्रेम और मानव मूल्य सर्वोपिर है, जहाँ दूसरी स्त्री से जनमे बालक को उसकी जन्मना माता से भी अधिक प्रेम और वात्सल्य मिलता हो। सूर की गोपियों की क्रांतिकारिता आज भी कम नहीं हुई है। मुरली की धुन कानों में पड़ते ही गोपियाँ काम-काज तो छोड़िये सभी सामाजिक बंधनों तथा सामंतवाद, पितृसत्ता का त्याग करके भागती हैं। यह भागना ही उन सभी क्रीतियों का प्रतिकार है। सूर अपनी गोपियों को स्वच्छंद रखने में सफल रहे हैं।

आंचलिक उपन्यास में किसी अंचल विशेष में प्रचलित रीति-रिवाजों, खान-पान,
विश्वास, आस्थाओं, बोली आदि का चित्रण होता है। इस चित्रण में वहाँ का लोक
जीवन अपनी समग्रता के साथ चित्रित हो उठता है। ऐसे उपन्यासों में उस अंचल विशेष
की संपूर्ण भौगोलिक स्थिति वहाँ के निवासियों की समस्या, संस्कृति, बोली, तीजत्योहार, परंपराएँ, धार्मिक तथा नैतिक संघर्ष, रहन-सहन, लोक-गीत, लोक-नृत्य, लोकभाषा, लोकोक्तियाँ, मुहावरे आदि सभी कुछ अपनी पूर्णता के साथ मुखरित हो उठते हैं।
आंचलिक उपन्यास उन उपन्यासों को कहते हैं जिनमें एक विशेष अंचल के निवासियों
का जीवन अपने समस्त रूप में विस्तार के साथ चित्रित होता है। इसमें किसी एक
व्यक्ति या परिवार की कहानी न हो कर वर्ण्य अंचल के समस्त जन-जीवन की कहानी
होती है। आंचलिक उपन्यासों में स्थानीय रंग प्रधान होता है। किंतु उन सभी उपन्यासों
को जिनमें स्थानीय रंग हो, हम विशुद्ध आंचलिक उपन्यास नहीं कह सकते हैं। दोनों में
उद्देश्य और चित्रण का मौलिक अंतर होता है। आंचलिक उपन्यासों में अंचल अपनी
संपूर्ण विविधता और समग्रता के साथ चित्रित होता है। आंचलिक उपन्यास मानो हृदय
में किसी प्रदेश की कसमसाती हुई जीवनानुभूति को वाणी देने का सार्थक प्रयास है।
