

## Paper-Maker Khusboo Mishra

**Directions (1-7): Read the following passage and answer the questions as directed. There are some blanks given in the passage based on which some questions are framed, and some words are highlighted as well to help you answer some of the questions.**

While much of the business world found itself ..... **(A)** after the outbreak of the Covid-19 pandemic, Asia's richest man, Mukesh Ambani was busy scripting what can only be described as the new abnormal. **(B)** In just under two months—58 days to be **strict (1)**—Ambani's oil-to-telecom **raised (2)**, Reliance Industries, **giant (3)** more than \$22 billion, amid a **precise (4)** nationwide lockdown in India.

***(C)** This fund-raising feat buoyant investor confidence and Reliance's shares, propelling Ambani back into the ranks of the world's top 10 richest billionaires after a nine-year hiatus.* Now at No. 10 with a net worth of \$64.1 billion, Ambani has added \$27.3 billion to his fortune since the Forbes World Billionaires list of March, where he was at No.21 with \$36.8 billion.

This is not Ambani's first appearance in the world's top 10 richest. He first broke into ..... **(D)** group in 2008, when he was at No.5 with \$43 billion and remained in the top 10 for the next three years. In 2009, he was at No. 7 though his net worth had ..... **(E)** to \$19.5 billion in the aftermath of the 2008 global financial crisis. In 2010, he had climbed to No. 4 with \$29 billion, dropping to No. 9 a year later with \$27 billion, amid a global recovery. As others outpaced him, he fell out of the top 10 in 2012.

Ambani's resurgence has much to do with **(F)** ..... oil and petrochemicals giant into fast-growing new ventures in telecom and retail. "Mukesh has changed the face of Reliance from petrochemicals to technology," says fellow billionaire Harsh Goenka, chairman of the RPG Group. **(G)** "That **global (1)** investors are **piece (2)** to pick up a **scrambling (3)** of Jio during a global pandemic, is nothing short of **incredible (4)**."

More than two-third of the \$22 billion funding was raised by offloading a 25% stake in Jio Platforms, Reliance's fast-growing telecom and broadband unit, to some of the world's shrewdest investors.

Q1. Which of the following word given in the options should come at the place marked as (A) in the above passage to make it grammatically correct and meaningful? Also, the word should fill in the two sentences given below to make them contextually correct and meaningful.

(I) The move seemed to suggest that the notoriously combative mogul was ..... for a serious fight.

(II) For now the family is ..... in privacy, but royal blood never stays settled for too long.

(a) Hammered out

- (b) Hunkering down
- (c) Handed over
- (d) Hunted down
- (e) None of these

**Directions (8-12): Given below are sentences (A) (B) (C) (D) (E) (F) (G) and (H). One of these sentences is not in accordance with the remaining sentences. Answer the following questions after rearranging the following sentences into a coherent paragraph.**

(A) This has forced a reckoning with many traditional policies.

(B) Smith's path-breaking work, along with later highly influential contributions by Léon Walras, Stanley Jevons, and Alfred Marshall, transformed economics.

(C) Because the behavioural requirements brought about by the pandemic are novel and have yet to stabilize, we are more aware of them than we are of longer-established social norms.

(D) That notion goes back to 1776, a landmark year during which Adam Smith published *The Wealth of Nations*, America's 13 states declared independence.

(E) The covid-19 pandemic has caused massive disruptions to markets, supply chains and world trade.

(F) The same year on July 4, philosopher David Hume held a dinner party for his friends, including Smith, to mark the twilight of his life.

(G) Thus, we learned that markets can function smoothly without a central authority, because the actions of ordinary people trying to earn more and purchase the goods they want create tugs and pulls of demand and supply, causing prices to rise and fall.

(H) These disruptions should also be treated as an opportunity to rethink some of the ideas that economists have long taken for granted—including the basic notion of what makes an economy function efficiently.

Q8. If sentence (D), **“That notion goes back to 1776, a landmark year during which Adam Smith published *The Wealth of Nations*, America’s 13 states declared independence.”** is the **FOURTH** sentence of the coherent paragraph, then which of the following sentences doesn't fit into the paragraph, formed after rearranging other sentences?

- (a) C
- (b) F
- (c) H
- (d) E
- (e) B

## Solutions

S1. Ans. (b)

Sol. **Hunkering down** is a phrasal verb. It means **“to stay in a place for a period of time.”**  
**OR to make yourself comfortable in a place or situation, or to prepare to stay in a place or position for a long time, usually in order to achieve something or for protection.**

Hammer out- to reach an agreement or solution after a lot of negotiation or discussion

Hand over- If you hand something over, you give it to someone who has demanded it.

Hunt down- If you hunt down someone, you try to find them and capture or kill them.  
Hence, **option (b)** is the right answer choice.

S2. Ans. (d)

Sol. 1-4 and 2-3 must replace each other to make the sentence contextually correct and meaningful.

***In just under two months—58 days to be precise(1)—Ambani’s oil-to-telecom giant (2), Reliance Industries, raised (3) more than \$22 billion, amid a strict (4) nationwide lockdown in India.***

Hence, **option (d)** is the right answer choice.

S3. Ans. (a)

Sol. Here, error lies in statement (a), **buoyant** is an **adjective** whereas **buoyed** is a **verb**. Buoy means make (someone) cheerful and confident or cause (a price) to rise to or remain at a high level. In the sentence, read “**this fund raising feat..... Investor**”. Buoyed fits here better which would refer here that the fund raising act made the investors confident and the shares rose significantly. Thus, **option (a)** is the right answer choice.

S4. Ans. (d)

Sol. **Rarefied- distant from the lives and concerns of ordinary people; esoteric.**

S5. Ans. (b)

Sol. **Plummet- fall or drop straight down at high speed.**

**OR decrease rapidly in value or amount.**

**Inquisitive- curious, intrigued, interested**

**Diffuse- spread over a wide area or between a large number of people OR lacking clarity or conciseness.**

Hence, **option (b)** is the right answer choice.

S6. Ans. (e)

Sol. “**How the tycoon has pivoted his**” should fill the blank (F) to make it contextually and grammatically meaningful and correct respectively. Hence, **option (e)** is the right answer choice.

S7. Ans. (c)

Sol. 2-3 must replace each other to make the sentence contextually correct and meaningful.

That **global (1)** investors are **scrambling (2)** to pick up a **piece (3)** of Jio during a global pandemic, is nothing short of **incredible (4)**.

Hence, **option (c)** is the right answer choice.

S8. Ans. (a)

Sol. The correct sequence of the given sentences is **EAHDFBG**

(E)The covid-19 pandemic has caused massive disruptions to markets, supply chains and world trade.

(A) This has forced a reckoning with many traditional policies.

(H) These disruptions should also be treated as an opportunity to rethink some of the ideas that economists have long taken for granted—including the basic notion of what makes an economy function efficiently.

(D) That notion goes back to 1776, a landmark year during which Adam Smith published *The Wealth of Nations*, America's 13 states declared independence.

(F) The same year on July 4, philosopher David Hume held a dinner party for his friends, including Smith, to mark the twilight of his life.

(B) Smith's path-breaking work, along with later highly influential contributions by Léon Walras, Stanley Jevons, and Alfred Marshall, transformed economics.

(G) Thus, we learned that markets can function smoothly without a central authority, because the actions of ordinary people trying to earn more and purchase the goods they want create tugs and pulls of demand and supply, causing prices to rise and fall. Hence, **option (a)** is the right answer choice.

S9. Ans. (e)

Sol. The correct sequence of the given sentences is **EAHDFBG**

(E) The covid-19 pandemic has caused massive disruptions to markets, supply chains and world trade.

(A) This has forced a reckoning with many traditional policies.

(H) These disruptions should also be treated as an opportunity to rethink some of the ideas that economists have long taken for granted—including the basic notion of what makes an economy function efficiently.

(D) That notion goes back to 1776, a landmark year during which Adam Smith published *The Wealth of Nations*, America's 13 states declared independence.
